

Anglican Network in Canada

Mission Statement

Definition – Why do we do what we do; our reason for being; what we want to be remembered for. This mission statement is for ANiC as a body. It is assumed each parish will have its own mission statement.

ANiC Mission: Building Biblically faithful, Gospel sharing, Anglican Churches

We desire to be used by God to build new churches, but will also build-up existing churches. These churches will be fully Anglican, biblically faithful, evangelizing and discipling communities.

Vision Statement

Definition – A picture of the organization's future.

ANiC Vision: Every Region, Enduring Churches, Excellence in Leadership, Equipped Members

We believe God is calling us to have churches from coast-to-coast and accessible to most Canadians. We will pray and plan that the churches will thrive until Jesus returns. We will humbly seek to be servant leaders always desiring to grow and learn the best practices. We desire to have every person in our congregation growing.

Strategic Priorities – 2009-2012

Every Region

1. Create 6 new churches in urban centers which are not being served by an ANiC church.
2. Develop a strategy which will welcome disenfranchised congregations from the Anglican Church of Canada.
3. Provide a virtual bridging link for individuals to connect with ANiC until an ANiC parish is established in their community.
4. Provide mission outside Canada.

Enduring Churches

5. Develop a guideline and implementation plan to ensure self sustainability for all ANiC churches.
6. Increase average Sunday attendance by 25 per cent at all ANiC churches.

Excellence in Leadership

7. Develop a recruitment, training and mentoring program for new clergy.
8. Develop a training and mentoring program for all clergy and staff.
9. Create an assistant curate program specifically for those under 30 years of age.

Equipped Members

10. Encourage and equip parish leaders to encourage and equip all members of their congregations to:
