

# **Leadership for Growth**

**By Bishop Albert Vun**

## **1. The Cell Pastor Must Be a Strong Leader and Powerful Motivator**

His total energy must be put into leading, equipping, and mobilizing the cell group. His commitment to the church is long term and total (not a stepping-stone). Active leadership; not just facilitating and maintaining.

## **2. There Must Be a Clear Vision and a Workable Plan for Evangelism**

The church must have compassion for the lost.

## **3. There Must Be Reliance on Supernatural Works of the Holy Spirit**

The work of God must be done in God's way for God's glory.

## **4. The Cell Meeting Must Be Loving, Powerful, Disciplined and Effective**

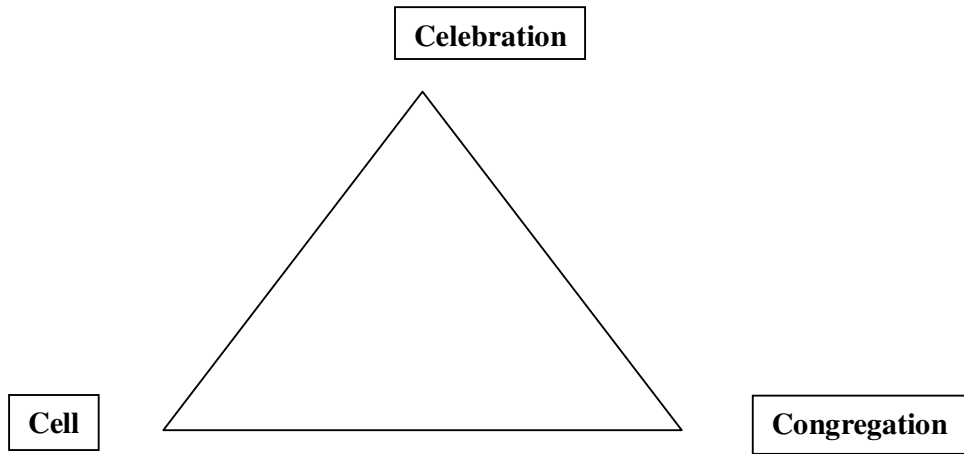

The Cell meeting is priority. Every person counts.

## **5. There Must Be A Commitment To Multiply New Leaders and New Cells**

When Cells grow, the church also grows.
