

# Anglican Network in Canada

A SHORT BUT IMPORTANT MEMO  
to  
CLERGY OF THE ANGLICAN NETWORK IN CANADA  
from  
THE RIGHT REVEREND DONALD HARVEY, MODERATOR  
November 14, 2013

My dear Sisters and Brothers:

Greetings!

I am certain that you have been deeply moved by the terrible situation in the Philippines resulting from last week's deadly typhoon. I also expect that members of your parish may be asking if it is possible to contribute to relief efforts through ANiC and ARDFC.

If you have read [this week's Newsletter](#) you will have noticed that this matter is well covered in the first news item on page 1, with a link on how donors can respond immediately to this desperate situation [through ARDFC](#). The process is extremely user friendly and completely reliable.

*Furthermore, every dollar we give in this manner will receive matching funds from the Canadian Government.*

This need is made all the more personal to us because of our brothers and sisters in our Filipino Congregation of [Holy Trinity in Edmonton](#).

The main purpose of this memo is to draw your attention to this item in the *Newsletter* and for you to both make the need known to your congregations and how they may go about responding in a financial manner.

I also call upon every parish to uphold the victims of this disaster in fervent prayer, especially on Sunday, November 17<sup>th</sup>.

In His Name,

The Right Reverend Donald F Harvey  
Bishop and Moderator
