The focus of our time together will be on CRAFTING THE SERMON. This is not to assume that there is any one way to do it. However, we can share what we do, the resources we use, and our discipline in seeking the will of the Lord. Most of all we can encourage one another and spur one another on to greater excellence. Our theme verse is, "Therefore encourage one another and build up each other, as indeed you are doing." (1Thes 5:11)

Guest Speaker – Peter Moore

Known to many of us from his time as Rector of Little Trinity Church in Toronto, Peter went on to be the Principal of Trinity School of Ministry in Ambridge, Pennsylvania. He led that College through some key times of growth. He is the author of several books. He is noted as a gifted communicator. We are pleased to have him with us at our Clergy Event.

Forums

In addition to Peter's three addresses, we will have a number of forums where there can be a focused time of sharing regarding a particular aspect of preaching. The facilitator of the Forum is asked to prepare a 10 minute presentation outlining the importance of this particular aspect of preaching and share their passion. After this initial 10 minutes, the facilitator would guide the discussion and keep it on the topic. The purpose is for the participants to be able to share insights, ideas and resources.

Topics for the Forums might be: Lectionary Preaching, Evangelistic Preaching, Preaching the Holy Days & Church Year, Prophetic preaching, Online resources, Family Service homilies, Using technology, Prayerful preparation, etc.

If you could lead a forum on one of these topics or a topic of your own choosing, please contact Brian McVitty at office@celebrationchurchbarrie.ca
