## Aligning With The Purposes of God

### Prayer Conference 2009

Dear Friends:

Carol and I would like to encourage you to come to this important conference on prayer.

Our guest speaker, Jane Jones is a deeply committed and experienced intercessor. We are blessed to have such a gifted minister of prayer come to our area.

I believe that as we grow in Christ, having a meaningful prayer life is the most important and challenging aspect of our Christian faith. Many sincere Christians merely scratch the surface of what a healthy prayer life is meant to be. Especially in these troubled times, this conference is greatly needed.

Please consider making it a priority for your time this June.

Yours in Christ,

The Rev. Jim & Carol Seagram.

#### Who is leading the seminar?

Jane Jones is the National Prayer Coordinator for Anglican Renewal Ministries (ARM) and Associate Director of Cityscape Prayer Ministries. She is a member of the Canadian Prophetic Council and mentors intercessors on a regular basis through conference calls. Her heart is to see people released into their God given destiny, through the power of prayer and intercession. Her passion is to see the church become a 'House of Prayer for all Nations'. She is recognized nationally and ministers across the nation and into the nations, teaching and equipping the church in intercession and the prophetic with humour and warmth. She has authored the powerful book "Prayers from The Word".

#### Conference Outline:

- ◆ Intimacy with God - waiting on The Lord - hearing the voice of God
