Dear Friends of ANiC:

We are full of awe at what God has done for us since we launched in November 2007. We have experienced His protection, answers to prayers and His provision for all of our needs. My purpose of writing at this time is to share with you a special need for prayer and action.

Our budget for the fiscal year July 1, 2009 – June 30, 2010 is based on receiving gifts directly to ANiC from individuals as well as contributions from our member parishes. Whereas the contributions from our member parishes are close to our budgeted expectations, gifts to ANiC from individuals have been significantly less than what we had anticipated. Currently, ANiC has an accumulated shortfall of \$66,000, trending towards an even larger shortfall as we near our year end.

Our dedicated administrative team – several of whom are volunteers – carefully consider every expense, however many of our expenses are fixed and cannot be reduced without an impact on our ministry.

Would you make this need a matter of prayer? Would you consider how you can help in this great endeavour? We are truly grateful for the generosity of so many.

It is an honour to work together in serving the Lord.

Yours in Christ,

+ *Charles*
