Report from Primates' meetings in Tanzania

Today, our Network delegation met with the Bishop of the Diocese of Tabora in Tanzania, the Rt. Rev. Sadock Makaya. Church of the Good Shepherd and St. John's (Shaughnessy) Anglican Church (Rev. Stephen Leung's and Rev. David Short's churches respectively) in Vancouver are holding a fund raising concert for this diocese through a project of the Anglican Relief and Development Fund (ARDF).

The bishop took a 7 hour bus ride to Dar Es Salaam in order to meet with the Canadians and he will be returning to Tabora tomorrow. Everyone felt blessed by the encounter and they prayed for one another and for the Primates who were meeting nearby.

Please pray...

Please pray for Bishop Makaya and his diocese as they seek to build a partnership in the gospel with the churches in Canada.

Tuesday will be an important day in the Global South Primates Meeting and we ask for your prayers to surround these meetings and the people involved.
