

New Toronto

ANiC congregation forming

The Toronto Centre Church Plant is enjoying growth! A number of people joined the group at the last meeting, an Evening Prayer service (BCP) which included worship and a study of the book of Acts. A leadership team has been appointed to guide the group in the next steps. Meetings are every 2nd Wednesday at 7:30 PM. If you are interested in becoming involved or just curious, please come.

Isaiah 44: 3 – 4 For I will pour water on the thirsty land, and streams on the dry ground; I will pour my spirit upon your descendants and my blessing on your offspring. NRSV

Dear Friends:

Many of you have approached me, asking for an update on the Church Plant God has led us to help establish. Well God has indeed blessed this initiative and in particular Heather and I. It has been totally amazing how God has provided as we have learnt to totally depend on HIM.

Our group currently meets every 2nd Wednesday in our office for worship, prayer (much) and study. We close the evening with Compline. An excellent leadership team has developed over the last few months, as well as some excellent teachers. Celebrating Christ around His table is a special event. We started in the book of Acts almost 12 months ago and are now only starting on chapter 7! The most remarkable thing is to learn how courageous and bold those early Christians were.

We are currently looking for a venue to hold weekly evening services, a worship leader and a pastor. A core group has developed into a community of about 20 with a caring and serving spirit. We have developed a relationship with Yonge Street Mission and the group has served at YSM on 3 occasions. It is distinctively Anglican, Orthodox and with a keen sense of reaching out to those who do not know Christ in the city of Toronto. Would you pray for us?

Feel free to contact me should you have any question. We value you keeping us and the group in your prayers.

Blessings,

Claus & Heather
